OCTOBER

DUNWOODY PRESERVATION TRUST — founded 1995

Vision: *To create the optimal network between our community, public sector and non-profit sector for the promotion of local historic preservation*

Mission: *The Dunwoody Preservation Trust's mission is to identify and save the historic resources and heritage of Dunwoody, and to create opportunities for community members to interact with and understand our city's history in order to bridge generations and strengthen the ties that bind together our City.*

Since 1999, Dunwoody Preservation Trust has brought you Dunwoody's Lemonade Days — a five-day event that brings approximately 80,000 visitors to Brook Run Park.

In 2013, we added a fall festival at Dunwoody's Perimeter Mall that attracted more than 30,000 visitors — Apple Cider Days, a five-day festival of amusement rides and activities held on the Ashford Dunwoody side of the mall's parking lot.

These two events help the Dunwoody Preservation Trust to support and maintain the community's historical properties and its heritage. Fundraisers such as these have fostered educational programs and historical music programs, helped to maintain five local cemeteries, and saved the Cheek-Spruill House. Our main focus for the next few years will be to restore the historic Donaldson-Bannister Farm and turn it into a fabulous facility that can be shared by our community.

Each year, Dunwoody Preservation Trust seeks ways to entertain and delight thousands of children and their families, who eagerly look forward to Lemonade Days as one of the true highlights of Dunwoody's calendar of events. This event, featuring carnival rides and amusements and food is considered one of the City of Dunwoody's signature events. Now, our families can look forward to our Apple Cider Days in the fall, which we will strive to make another City of Dunwoody signature event!

One hundred percent of your sponsorship dollars go directly to support the preservation efforts of the Dunwoody Preservation Trust, a 501(c)3 organization staffed by hundreds of local citizen-volunteers.

Our sponsor benefits are amazing. Your company and brand will be exposed to approximately 80,000 people during the five-day event at Lemonade Days, and an additional 30,000-50,000 or more at Apple Cider Days. We encourage you to become a part of these great Dunwoody traditions and review the attached sponsorship materials. As a part of the Dunwoody community, your commitment as a sponsor is a real benefit to both of our organizations. Together, we will continue to preserve the wonderful historic values of Dunwoody.
